Business Outlook¹¹

“Macao: From 2020 through the beginning of 2023, the Company’s operations in Macao were negatively impacted by the reduction in travel and tourism related to the COVID-19 pandemic. The Macao government’s policy regarding the management of COVID-19 and general travel restrictions was relaxed in late December 2022 and early January 2023. Since then, visitation to the Company’s Macao Integrated Resorts and operations has improved. The Macao government announced total visitation from mainland China to Macao increased approximately 36.3% during the nine months ended September 30, 2024, as compared to the same period in 2023. The Macao government also announced gross gaming revenue increased approximately 31.3% during the nine months ended September 30, 2024, as compared to the same period in 2023.

Singapore: The Company’s operations in Singapore continued to be positive as travel and tourism spending increased, resulting from the elimination of all remaining COVID-19 border measures in February 2023. Visitation to Marina Bay Sands continues to improve since the travel restrictions have been lifted. The Singapore Tourism Board (“STB”) announced total visitation to Singapore increased to approximately 12.6 million for the nine months ended September 30, 2024, from approximately 10.1 million for the same period in 2023”.

“Development Projects:

- **Macao.** The Company continues work on Phase II of The Londoner Macao, which includes the renovation of the rooms in the Sheraton and Conrad hotel towers, an upgrade of the gaming areas and the addition of new attractions, dining, retail and entertainment offerings. The Londoner Grand casino opened on September 26, 2024. The Sheraton Grand Macao is being converted into the Londoner Grand hotel and will become Macao’s first Marriott international luxury collection hotel. As of September 30, 2024, approximately 300 newly renovated rooms and suites were available for occupancy at the Londoner Grand. These projects have a total estimated cost of \$1.2 billion and are expected to be substantially completed in early 2025;
- **Singapore.** In April 2019, the Company’s wholly owned subsidiary, Marina Bay Sands Pte. Ltd. (“MBS”) and the STB entered into a development agreement (the “Second Development Agreement”) pursuant to which MBS has agreed to construct a development (the “MBS Expansion Project”) on a land parcel adjacent to Marina Bay Sands. The Company has incurred approximately \$1.3 billion as of September 30, 2024, inclusive of the payment made in 2019 for the lease of the parcels of land underlying the MBS Expansion Project site. The additional payment due to the Singapore government related to the Additional Gaming Area and changes to the MBS Expansion Project gross floor area allocation is estimated to be approximately \$1.0 billion and anticipated to be paid in the first quarter of 2025. On April 3, 2024, MBS and the STB entered into a letter agreement, which further extended the construction commencement deadline to July 8, 2025, and the construction completion deadline to July 8, 2029. The Company will begin construction as soon as government approvals are received, with an estimated commencement date in June 2025. While the Company’s current estimate is that construction will be complete in June 2030 with an anticipated opening date in January 2031, any extension of the completion date beyond the

July 2029 deadline is subject to the approval of the Singapore government. The renovation of Towers 1 and 2 of Marina Bay Sands is now complete and has introduced world class suites and other luxury amenities at a cost of approximately \$1.0 billion. The Company is continuing with the renovation of the Tower 3 hotel rooms into world class suites and other property changes at an estimated cost of approximately \$750 million, with an expected completion by 2025;

- **New York.** On June 2, 2023, the Company acquired the Nassau Veterans Memorial Coliseum (the “Nassau Coliseum”) from Nassau Live Center, LLC and related entities, which included the right to lease the underlying land from the County of Nassau (the “County”) in the State of New York (the “Nassau Coliseum Transaction”). The Company purchased the Nassau Coliseum with the intent to obtain a casino license from the State of New York to develop and operate an Integrated Resort. There is no assurance the Company will be able to obtain such casino license. On August 16, 2024, the Company entered into a lease agreement with the County for the use and exclusive right to operate assets on approximately 72 acres of land, including the Nassau Coliseum and other improvements thereon (the “Updated Lease”), which has a 42-year lease term (inclusive of three 5-year extensions). The Company is required to make annual rent payments in the amounts and at the times specified in the Updated Lease. As of September 30, 2024, the related right-of-use (“ROU”) asset and finance lease liability were \$162 million and \$115 million, respectively. The future minimum lease payments are \$1 million for the three-month period ending December 31, 2024, and for each of the years ending December 31, 2025 and 2026, \$3 million for the year ending December 31, 2027, \$6 million for the year ending December 31, 2028, and \$338 million thereafter”.

“Recent Accounting Pronouncements: The Company’s management has evaluated the accounting standards that have been recently issued, but not yet effective, or those proposed by the Financial Accounting Standards Board (“FASB”) or other standards-setting bodies through the filing date of these financial statements and does not believe the future adoption of any such pronouncements will have a material effect on the Company’s financial position, results of operations and cash flows.”
